Policy Focus

Special Educational Needs

Our Special Educational Needs (SEN) Policy has been updated and is now available to view on our school website.

This policy outlines how we identify, support and monitor pupils with additional learning needs in line with the Northern Ireland Curriculum and the EA Code of Practice.

Mr Andrew Boyd serves as the school's SEN Governor.

Mrs Robinson, our Principal and the school's SENCo, meets regularly with Mr Boyd to keep him informed about how the school is supporting pupils on the SEN register, the training and professional development staff have undertaken, and the progress pupils are making across the curriculum.
